

# WHITE OAK Day camp

## New Sessions for 2021!!

Students will be immersed in the natural world gaining a deeper appreciation for conservation through recreational adventures and interactive encounters with animals and expert staff. Each camp session is different but includes the opportunity to help our animal care staff make enrichment, feed diets, and meet a few of our feathered and furry friends up close and personal.

Contact [Education@White-Oak.org](mailto:Education@White-Oak.org)  
to reserve your space!

### Camp Sessions

**Ages 8-14: Saturday, April 10th**

**PRICE** \$250 per camper, sibling discounts and private group pricing available. Price includes all materials, lunch and activities.
